MEMORIAL DAY

NEVER STOP LOVING THEM

HONOR • REMEMBER

THE MEMORIAL DAY FOUNDATION
MEMORIAL DAY ISN’T JUST ANOTHER HOLIDAY

Once, there was a time when Memorial Day was a single sacred day in the lives of Americans. As national sacrifice gave way to national prosperity, we largely replaced gratitude with barbecues and solemnity with sales, bargains and discount prices at the mall.

Please help raise awareness of Memorial Day by placing this Memorial Day Window Flag in your front window or door from now until Memorial Day and help honor and remember our Fallen Heroes. Be part of the movement for National Remembrance Week May 22nd thru May 30th.

Being able to live in freedom is an incredible stroke of good fortune, but the freedom itself exists only because hundreds of thousands of our countrymen perished for it. As a nation, we are asked once a year to think about and honor their sacrifices. While none of us should ever miss an opportunity to spend some time with family and friends, we should also remember why we have the freedom to do it, even if it’s only on this single day at the end of May.
